PETITION FOR WRIT OF HABEAS CORPUSWilliam Kirkpatrick Jr.
Petitioner

vs.

Robert L. Ayers - Warden
RespondentNo. CV 08-1393-VRW

(To be supplied by the Clerk of the Court)

Request for cease & desist order to San
Quentin (S.Q.) or show good cause why
it's necessary for petitioner to travel in-
jured and half naked across the compound
to attend legal law library.

Petitioner requests this court order San Quentin (S.Q.) prison to cease
and desist the unconstitutional practice of denying [me] law library
unless [I] go half naked with leg irons and handcuffs.

Petitioner further suffers from leg and shoulder injuries sustained
during a racial religious assault by S.Q. guards on June 3, 2007.

Petitioner in fact sent this court an emergency writ regarding that
'cowardly attack', by "five white christians - and one jew", on June
4 2007 requesting "emergency intervention and medical care" to date
this court has refused all efforts to address that writ!

[I've] still not gotten any medical relief to date! Despite insti-
tutional appeals that S.Q. is 'deliberately' taking 11 months or more
to respond to at the early levels which aren't supposed to take more
than 25 working days - combined - for informal and 1st level responses,
52 days for the entire process.

It is also demeaning to have to 'parade' around like that!

Especially in front of the female pigs-guards. Do the females at "women's" institutions have to travel around in their underwear in front of the male guards?

[I] am - as this court knows - in the midst of very sensitive legal matters. This denial of law library is causing [me] and the court undue, unnecessary hardship - and in [my] case pain!

This court wants forma pauperis and multiple copies, and authorities, as [I] sit here I can provide none of these things!

After 25 years [I've] been here SA suddenly decides to put this so called 'policy' in place? B.S.! This 'policy' of theirs is yet another effort to discourage inmates from seeking judicial relief! The only avenue any citizen has!

Petitioner requests specifically; cease, desist, and compel order.

1- As pertaining to William Kirkpatrick Jr. cease visit policy of semi dressed law library.

2- allow [me] to attend law library fully dressed - especially with high top shoes for medically necessary ankle support.

3- Show cause as to why SA should not comply with this courts order.

I swear under penalty of perjury the foregoing is true and correct and will testify to it in a court of law.
